

POLICY MEMORANDUM

FROM: R. E. Flori *RE Flori*

DATE: November 6, 2015

SUBJECT: Alternative MS Admissions Requirements for EOD School Graduates

In recognition that the EOD School at Eglin Air Force Base provides advanced technical training in explosives and nuclear weapons, an alternate entrance route to the Explosive Engineering MS program for EOD school graduates is offered comprising:

1. Bachelor's degree meeting S&T admissions requirements for MS study, including GPA.
2. Successful completion of Eglin Air Force Base EOD School plus one year of experience.
3. Completion of Explosives Technology Certificate.
4. Meet S&T grade requirements for moving from a certificate to an MS degree program upon successful completion of the certificate.
